

## 2026 MIAS Writing Competition AI Use Disclosure Statement

This Statement is submitted pursuant to **Section V** of the 2026 MIAS Writing Competition rules. Every participant must submit a completed and signed copy of this Statement together with the article. Submissions without this Statement will not be evaluated. References below to “Section V” and its subsections refer to the AI Disclosure Policy in the Competition rules.

### Part 1. Participant and Entry Information

<b>Participant’s full legal name</b>	<i>[enter name]</i>
<b>Email address</b>	<i>[enter email]</i>
<b>Article title</b>	<i>[enter title]</i>
<b>Submission date</b>	<i>[YYYY-MM-DD]</i>

### Part 2. Use Declaration

Check **one** of the following:

- No AI use.** No generative AI tool was used in the preparation of this entry. (If checked, skip Parts 3 and 4 and proceed to Part 5.)
- AI use — permitted purposes only.** One or more generative AI tools were used solely for purposes permitted under Section V.1 of the Competition rules. Details are provided in Parts 3 and 4 below.

### Part 3. AI Tools Used

*Complete this Part only if you checked the second box in Part 2. Identify each generative AI tool used in connection with the entry. Add rows as needed.*

Tool name	Version / model	Provider
<i>e.g., ChatGPT</i>		

#### Part 4. Permitted-Use Mapping

Complete this Part only if you checked the second box in Part 2. For each tool listed in Part 3, check every Permitted-Use category that applies and provide a brief description of how the tool was used.

✓	Permitted use category	Brief description (tool used and how)
<input type="checkbox"/>	<b>Background research / source location</b> (§V.1(a))	<i>e.g., used [tool] to identify recent ICSID decisions on ...; all cited authorities independently verified.</i>
<input type="checkbox"/>	<b>Grammar, syntax, spelling, style</b> (§V.1(b))	<i>e.g., used [tool] to check English-language grammar and punctuation.</i>
<input type="checkbox"/>	<b>Bluebook citation reformatting</b> (§V.1(c))	<i>e.g., used [tool] to convert footnotes to Bluebook 21st ed.; accuracy verified manually.</i>
<input type="checkbox"/>	<b>Outline or organizational suggestions</b> (§V.1(d))	<i>e.g., generated a preliminary outline that I substantially rewrote and reorganized.</i>
<input type="checkbox"/>	<b>Translation of source material for comprehension</b> (§V.1(e))	<i>e.g., translated short passages from a Spanish-language arbitral award for my own reading; final article uses my own translations.</i>

#### Part 5. Certifications

I certify, by signing below and initialing each item:

- The substantive content, analysis, arguments, conclusions, and writing of the article are my own original work.

- I have not used generative AI tools for any of the Prohibited Uses listed in Section V.2 of the Competition rules.
- Any AI use disclosed above falls within the Permitted Uses set forth in Section V.1, and I have independently verified the accuracy of any AI-assisted output (including all citations, quotations, and translations) before incorporating it into the article.
- I understand that MIAS may use detection tools and request supporting drafts or research materials to verify compliance, and that any material misrepresentation in this Statement will result in disqualification and, where appropriate, forfeiture of any prize awarded.
- I acknowledge that this Statement is submitted as part of my entry to the 2026 MIAS Writing Competition and that the information provided is true and complete to the best of my knowledge.
